TSCA Notice of Inspection

Authority to Conduct Inspections

By authority of Section 11 of the Toxic Substances Control Act (15 USC 2601) an authorized representative of the Administrator of the United States Environmental Protection Agency may enter and inspect, at reasonable times, any establishment facility, or other premises in which chemical substances or mixtures are manufactured, processed, stored, or held before or after their distribution in commerce and any conveyance used to transport chemical substances, mixtures, or such articles in connection with distribution in commerce.

Scope of Inspections

Inspections conducted under Section 11 of the Toxic Substances Control Act (15 USC 2601) extend to all things within the premises or conveyance inspected (including records, files, papers, processes, controls, and facilities) bearing upon whether the requirements of the Toxic Substances Control Act applicable to the chemical substances or mixtures within the premises or conveyance have been complied with.

However, inspections shall not extend to the following types of data unless the nature and extent of such data are described with reasonable specificity in the written notice presented to the owner, operator, or agent in charge of the premises or conveyance:

1. financial data
2. sales data (other than shipment data)
3. pricing data
4. research data (other than research data required by the provisions of the Toxic Substances Control Act or under a rule promulgated thereunder)

Penalties for Failure to Allow Inspection

Section 15 of the Toxic Substances Control Act makes it unlawful for any person to fail or refuse to permit entry or inspection as required by Section 11 or to fail or refuse to permit access to or copying of records. Section 16 provides for both civil and criminal penalties for violations of Section 15. Section 17 authorizes specific enforcement, including the obtaining of an injunction to restrain any violations of Section 15.
